

God's mission, your *passion*

In the African nation of Kenya, CBF field personnel are changing communities and lives.

Sam and Melody Harrell are improving the future of Kenyan children. The construction of eight integrated child development centers as part of their ministry called Change for Children is giving nearly 650 young children access to early education, better nutrition, immunizations and clean water. The Myricks — Tim, a physician, and Lori, a nurse — are saving lives through medical ministry that treats many people who are poor or who live with serious diseases.

When you give to the CBF Offering for Global Missions, you help change lives around the world.

The Cooperative Baptist Fellowship's Offering for Global Missions is a part of God's on-going work in the world.

More than 135 CBF Global Missions field personnel are serving among some of the most neglected people in the world, and your gifts are needed to fund these life-changing ministries. These field personnel — called by God and sent by you and other Fellowship Baptists — are touching lives through their long-term presence. They are sharing the gospel of Jesus Christ in word and action.

You can help. You can do something. You can

help be the compassionate presence of Christ by giving to the CBF Offering. The CBF Offering provides the financial support for many field personnel and keeps them on the ministry fields of our world. Your gifts spread the gospel among those who haven't heard, meet physical needs among the most neglected and serve the local church by providing ways for churches like yours to participate in God's mission.
