

God's mission, your *passion*

For many Romany people, the Bible is unapproachable. With an oral rather than a written culture, Roma often must rely on what they hear about Jesus.

Cooperative Baptist Fellowship field personnel **Keith Holmes** and **Mary van Rheenen**, a husband and wife team living in the Netherlands, create Christian films, children's cartoons and audio recordings of the Bible in major Romany languages. And for the first time many Romany adults and children — often referred to as Gypsies — are finding hope in the Good News that God loves them.

When you give to the CBF Offering for Global Missions, you help change lives around the world.

The Cooperative Baptist Fellowship's Offering for Global Missions is a part of God's ongoing work in the world.

More than 135 CBF Global Missions field personnel are serving among some of the most neglected people in the world, and your gifts are needed to fund these life-changing ministries. These field personnel — called by God and sent by you and other Fellowship Baptists — are touching lives through their long-term presence. They are sharing the gospel of Jesus Christ in word and action.

Each year thousands of lives are changed because people like you give to the CBF Offering for Global Missions. Pray about giving a gift today. 100 percent of your gift to the CBF Offering will go to help people hear and experience the gospel of Jesus Christ.
