*Sharing Jesus' love through hot meals and art classes*

In Slovakia, Dianne and Shane McNary share Jesus' love with Roma children. The Roma are a people group who live in many places around the world, but they are often not accepted because of the color of their skin. Roma children in Slovakia take art classes where they paint pictures with bright colors. These art classes help the children express themselves and celebrate their culture. The children are also given hot meals of soup and bread that are made with Roma recipes, just the way the children like them! When you give to the CBF Offering for Global Missions, you help buy art supplies and soup for kids just like you!

### DID YOU KNOW?

The word "Roma" means "human" in the Roma language. This is a wonderful reminder that not accepting people because they are different is wrong - after all, we're all human beings, created wonderfully and beautifully in God's image!

Now it's your turn to participate in a Roma art class! This picture was drawn by one of the Roma art teachers. Can you color it with the beautiful, bright colors the Roma children would use?
