

NEW YORK CITY

Sharing Jesus with those who are sick or in need

In New York City, Ronnie Adams helps people who are sick or who need help. He partners with Metro Baptist Church and Rauschenbusch Metro Ministries to help those who are sick and to provide programs for kids and families. When we give to the CBF Offering for Global Missions, we help support Page Turners - a tutoring program for kids, and we even send kids to summer camp! People from CBF churches all around the U.S. also volunteer in New York City. They stock the food bank and give school supplies to children. Even as a kid, you can help out! You can give to the CBF Offering for Global Missions, and you can pray for the ministries in New York City.

DID YOU KNOW?

New York City is sometimes called the "Big Apple." The city got this name a very long time ago - in the 1920's - when horse jockeys from New Orleans dreamed of racing their horses in New York. Because racetracks around the city were referred to as "apples," the jockeys from New Orleans named New York the "Big Apple," and the name stuck!

Now it's your turn to race! Can you help get this bag of groceries to the food bank at Metro Baptist Church?
