

When you give to the CBF Offering for Global Missions, you help change lives around the world.

The Cooperative Baptist Fellowship's Offering for Global Missions is a part of God's ongoing work in the world. More than 135 CBF Global Missions field personnel are serving among some of the most neglected people in the world, and your gifts are needed to fund these life-changing ministries. These field personnel — called by God and sent by you and other Fellowship Baptists — are touching lives through their longterm presence. They are sharing the gospel of Jesus Christ in word and action.

You can help. You can do something. You can help be the compassionate presence of Christ by giving to the CBF Offering. The CBF Offering provides the financial support for many field personnel and keeps them on the ministry fields of our world. Your gifts spread the gospel among those who haven't heard, meet physical needs among the most neglected and serve the local church by providing ways for churches like yours to participate in God's mission.

Each year thousands of lives are changed because people like you give to the CBF Offering for Global Missions. Pray about making a gift. 100 percent of your gift to the CBF Offering will go to help people hear and experience the gospel of Jesus Christ.

God's mission, your *passion*

Being the
presence of
Christ in the
Ukraine

In underground tunnels and basements of high-rise apartment buildings, the street children of Kiev sleep in the warmest places they can find. But in bitter Ukrainian winters, it's never warm enough. Worn jackets and shoes with holes only help so much. Often, many of these orphans and runaways go to sleep cold, hungry and wondering if anyone cares. Gennady and Mina Podgaisky serve as Cooperative Baptist Fellowship field personnel transforming the lives of Ukrainian street children by forming relationships, providing basic necessities and helping those who want to move off the streets. Because of your gifts to the CBF Offering for Global Missions, Gennady and Mina helped start the Village of Hope, a Christian foster family center where street children find love, hope, a future and the presence of Christ.
