

God's mission, *your passion*

When Macarena Aldape cleans a wound or treats a rash, her Banjara patients — some of India's most marginalized people — often ask her why she is helping them. Macarena — who serves as one of the Cooperative Baptist Fellowship's field personnel with her husband, Eddie — tells them, "The same God who created you created me and loves us." While the Aldapes are the presence of Christ to those so often ignored and neglected, Sam Bandela — also one of CBF's field personnel in India — helps start churches and equip Christians all over India and its neighboring countries. "All that we do is helping people come to know the Lord, giving birth to a new church," Sam said.

When you give to the CBF Offering for Global Missions, you help change lives around the world.

The Cooperative Baptist Fellowship's Offering for Global Missions is a part of God's ongoing work in the world.

More than 135 CBF Global Missions field personnel are serving among some of the most neglected people in the world, and your gifts are needed to fund these

life-changing ministries. These field personnel — called by God and sent by you and other Fellowship Baptists — are touching lives through their long-term presence.

They are sharing the gospel of Jesus Christ in word and action.

You can help. You can do something. You can help be the compassionate presence of Christ by giving to the CBF Offering. The CBF Offering provides the financial support for many field personnel and keeps them on the ministry fields of our world. Your gifts spread the gospel among those who haven't heard, meet physical needs among the most neglected and serve the local church by providing ways for churches like yours to participate in God's mission.
