

# God's mission, your *passion*

**E**very summer CBF field personnel **Ben and Leonora Newell** host All Church Challenge, a missions blitz that involves hundreds of local community

members and Fellowship Baptists in an effort to better the community of Helena-West Helena, Ark., which is one of the poorest areas in the United States. Last summer, three youth from Park Meadows Baptist Church in Waxahachie, Texas, came to Helena and experienced transformation in their own lives.

## When you give to the CBF Offering for Global Missions, you help change lives.

On a Thursday morning, these youth were baptized in the Helena community pool, where many of them had spent all week teaching local children and adults how to swim. As one of the youth put it: “This is the place where [I feel] like [I am] serving God. [I feel]

close to God in this place.”

Ministries supported by the CBF Offering for Global Missions not only change lives among some of the most neglected people in the world — they can also change us as we give to and engage in these ministries.

**E**ach year thousands of lives are changed because people like you give to the CBF Offering for Global Missions. Pray about giving a gift today. 100 percent of your gift to the CBF Offering will go to help people hear and experience the gospel of Jesus Christ.
