

Dear Friends:

Cokesbury is pleased to be one of the sources for children's curriculum that has recently been recommended to CBF congregations for use after April 30. Some of you are already familiar with our offerings; others have reviewed them over the past several weeks. We want to make sure that you have easy references for places to learn more about our resources. At the websites mentioned below, you will find both sample lessons and detailed information about each series.

Please do not hesitate to contact our trained Christian educators at Curric-U-Phone. Call us at 1-800-251-8591 or e-mail curricuphone@cokesbury.com. You can see these materials first-hand by visiting a Cokesbury store near you.

We would like to be a partner in your ministry for and with children. Thank you for all you invest in this important work.
